Task 2.4: Station outreach: Educating local communities and decision makers

Subtask 2.4.1

Develop courses and community based monitoring programmes on environmental issues of local relevance for schools and/or high schools near four stations.

Arrange 'Open House' thematic days for the general public at a range of INTERACT Stations with focus on Climate Change, invasive species and plastics.

Task 2.4: Station outreach: Educating local communities and decision makers

Subtask 2.4.2

Collaborate with WP7 to improve communication between INTERACT stations and decision makers across scales by developing a course for station managers on how to communicate with decision makers from local to international level and by making increased use of press releases produced by professional communicators to reach decision makers at different levels.
