1. work with the tourist industry and local and Indigenous Peoples
2. supporting the local and Indigenous communities
3. developing the Arctic in a sustainable way.

Progress 9.2

Milestones reached

1. Collaboration

- a. Girjas sameby (Small game hunting)
- b. Lainiovuoma sameby (Fishing)
- c. Sami tourist companies (Reindeersledging)

Ways forward WP 9.2

Aim of WP 9.1

Task 9.1 Educating the tourists and tourist operators

To address the growth in tourism by increasing the benefits and reducing the impacts.

- a) Generate greater awareness of the sensitivity of the Arctic to disturbance,
- b) Value this unique environment and
- c) Ensure sustainable tourism.

Led by the Association of Arctic Expedition Cruise Operators (AECO) and overlapping with WP2

Lead for WP 9.1

Association of Arctic Expedition Cruise Operators

- 70+ international members and represents the majority of the industry
- Ensure environmentally friendly, responsible and safe cruise tourism in the Arctic
- Advocate for s members' interests
- Develop guidelines and standards which are made mandatory for all members

Aim of WP 9.1

Deliverable: A template for Field Station-Specific Tourism Guidelines; a tool which allows the station to present themselves to tourists and outline what considerations visitors should take when visiting

Progress 9.1

Identify major challenges of tourism: **Survey**

Fall 2020

Summer 2021

Draft pilot guidelines to inform the template:
Workshops

Draft template developed

Fall 2021

Review/edit drafts

Final template, handbook and pilot guidelines finalized and presented

Fall 2022

Requirements from others

Station Managers Forum – January 2020

Identified stations that are tourism enabled and keen on tourism (WP 2.6)

16

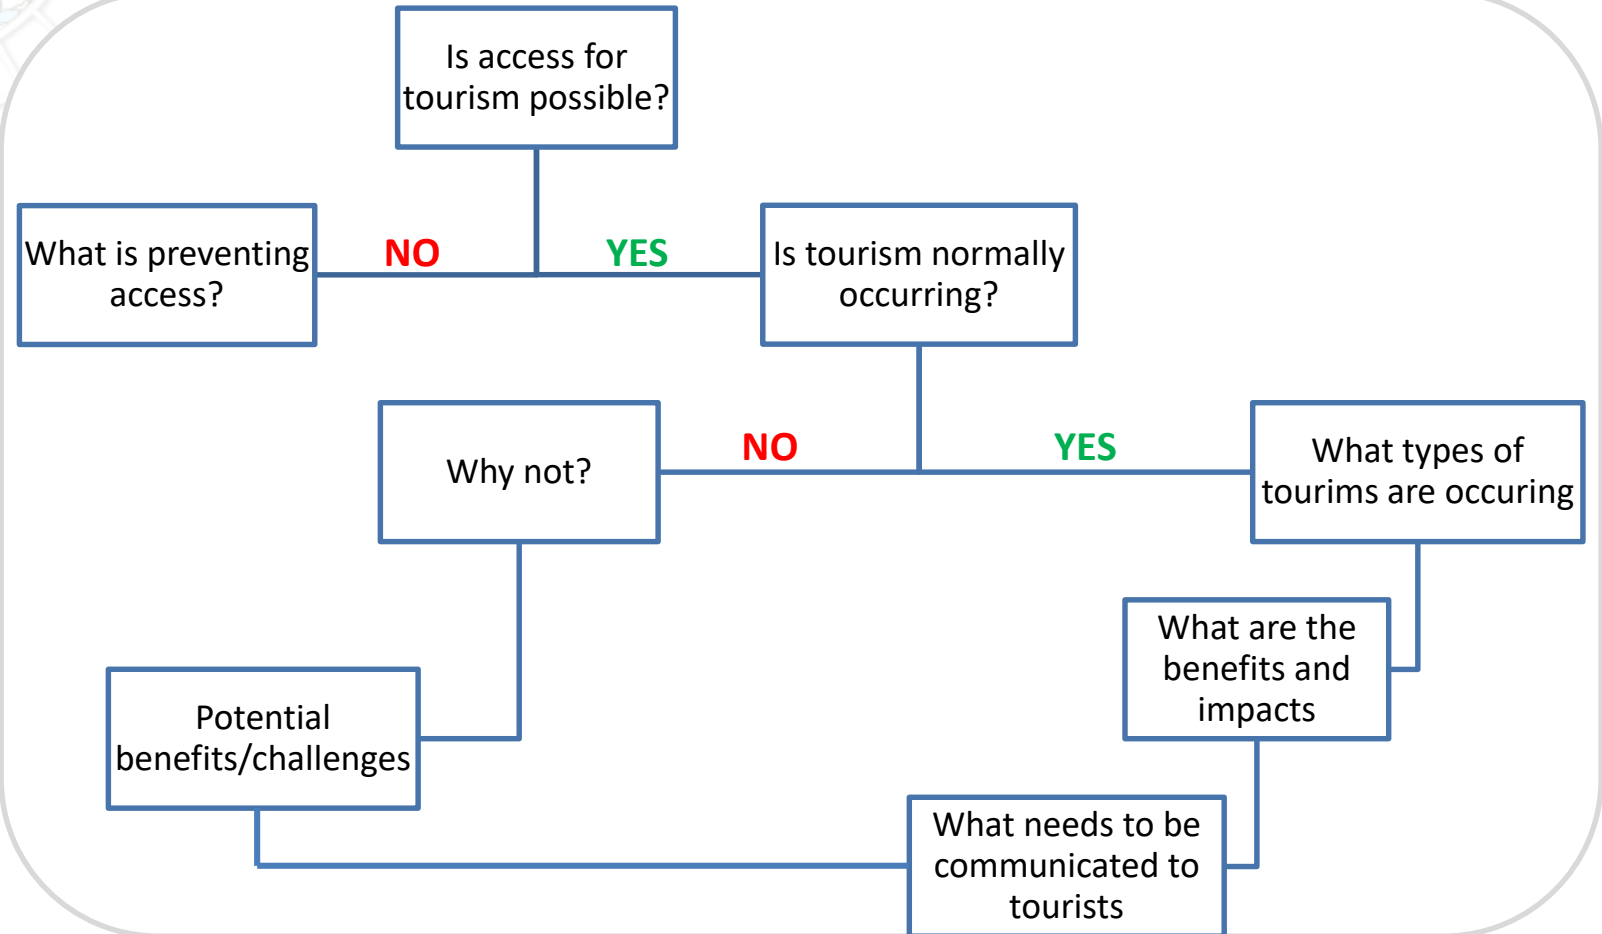

Requirements from others

We kindly ask that you complete our survey about tourism activities

Approx. 7 min to complete

- “Tourist”: a person traveling to and staying in places outside their usual environment for leisure, business or other purposes for not more than one consecutive year
- “Station Area”: station buildings and area where research is conducted
- We only ask for one survey response per station
- Please only consider “normal/typical” years (i.e. not 2020)

Requirements from others

Requirements from others

We appreciate your input!

The survey will be sent to all Station Managers after this meeting and the **deadline to complete the survey is October 16, 2020**

Thank you!
