INTERACT III, Station Manager Forum 6,
Toolik Field Station, Alaska, 12-13 September 2023

The Future of SMF (1) – Workshop on Challenges, Opportunities and Priorities

What has been the most important outcome for your station by being a part of INTERACT Station Manager Forum?

What is currently the biggest challenges of your station?

What should be the focus of INTERACT Station Manager Forum in the future without EU-funding (i.e. under INPA)?

What should be the focus of INTERACT Station Manager Forum in the future with new EU-funding or other extensive funding?

The Future of SMF (1) – Workshop on Challenges, Opportunities and Priorities
